Contact Person	Mr Glen Donald – Acting Principal

Principal's foreword

Introduction

The purpose of this report is to provide information to the school community about the school in general: its' curriculum, students, staff, the progress in school improvement and the future goals. Families who are unable to access this report are able to request a copy by contacting the school office on (07) 4972 1955 and one will be provided.

School progress towards its goals in 2012

1. School Curriculum – Implementation of Australian Curriculum and use of C2C by teachers while focusing to improve Reading and Number. NAPLAN results show an improvement in mean results Year 3/5 & 7 for both categories.
2. Teaching Practice – Teachers have developed skills in using data to inform planning and develop differentiated teaching practices.
3. Principal Leadership and School Capability – The engagement in some long term projects with Australian Association of Mathematics and QUT for numeracy programs has seen an improvement in number skills. The school leadership team engaged in professional development with the Stronger Smarter Institute and Next Steps program.
4. School and Community Partnerships – The school site has become a hub for the local community via the new school hall and the pre-prep playgroup, homework club and Indigenous health program.

Future outlook

The key focus areas for 2013 will be

- Reading
- Number
- Differentiation
- School Wide Positive Behaviour School (SWPBS)
- Explicit Instruction

Our school at a glance

School Profile

Coeducational or single sex: Coeducational

Year levels offered in 2012: Prep - Year 7

Total student enrolments for this school:

	Total	Girls	Boys	Enrolment Continuity (Feb – Nov)
2010	302	153	149	89%
2011	306	153	153	87%
2012	289	139	150	84%

Student counts are based on the Census (August) enrolment collection.

Characteristics of the student body:

The student population is a diverse representation of socio economic and cultural backgrounds. Currently students attend from within and outside the catchment area. Students are representative of professional, semi-professional, skilled and un-skilled workers of the community. Some families are reliant on social welfare. A significant proportion of students are from Aboriginal and Torres Strait Islander (16%) and English as a Second Language (ESL) (16%) backgrounds. The introduction of a trial year 7 into high school program at a local high school has significantly effected enrolments in 2013.

Average Class sizes

Phase	Average Class Size		
	2010	2011	2012
Prep – Year 3	21	23	23
Year 4 – Year 7	27	25	22

School Disciplinary Absences

Disciplinary Absences	Count of Incidents		
	2010	2011	2012
Short Suspensions - 1 to 5 days	19	12	31
Long Suspensions - 6 to 20 days	5	0	<5
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

Our school at a glance

Curriculum offerings

Our distinctive curriculum offerings:

Additional literacy development which progresses students through various learning levels.

Gifted programs are conducted within classrooms and also cluster primary schools and high school excellence days. Students also have the opportunity to participate in university competitions.

Project 600

SWPBS and personal development programs for students to embed South SMART values within the school community.

YuMi Deadly Maths

Extra curricula activities:

Instrumental Music in strings

School Choir

Interschool Rugby League

Eisteddfod instrumental, choir, verse

Library days – both at school and also the public library to provide a literacy focus

NAIDOC, multicultural, Christmas Carols

Environmental Education - Reef Guardianship, Green and healthy schools programs

How Information and Communication Technologies are used to assist learning:

Each classroom has a pod of computers which students can access to support their learning. The school has a technology lab with 30 computers for classes to access as part of their ICT learning program. Students engage with ICT each week via a lesson dedicated to covering the Technology curriculum. Computers are used to support work undertaken in classrooms as well as individual learning programs to enhance student engagement in the curriculum.

Staff and students have ready access to a wide range of technology and software: C4T, Interactive white boards, digital cameras, video cameras, email, internet, blogs and video conferencing.

Social climate

A focus for the school over a number of years has been to improve the social environment. Several initiatives have been introduced to support the pastoral care of students and improve their welfare and feeling safe at school. These include:

a school chaplain for 3 days per week who runs various groups to support student wellbeing

SWPBS lesson each week program which has developed South SMART values and a consistent approach to behaviour management across the school

Positive rewards for demonstrating school values are presented on parade each week

South SMART bullying strategy (STAMP) has been developed to educate students and assist in the prevention of bullying. S-Stay away, T – Tell someone, A – Always help, M- Make friends, P – Play nicely

The students and parents are aware of strategies/personnel in place to respond to incidents of bullying (including cyber bullying) such as: class teacher, HOC, Principal, Chaplain and SWD staff. The most important feature is that students feel safe to report incidents to an adult and a reporting format is in place to involve the necessary participants in mediating the situation.

The school has leadership positions at a whole school and class level to develop qualities of leadership from prep to year 7

The school has adopted three elders from the Indigenous community who play an active role to enhance the wellbeing and learning outcomes of students and parents

Our school at a glance

Parent, student and staff satisfaction with the school

Parent satisfaction with the school in all areas was above State and Like schools.

Student satisfaction with most aspects of the school was similar to State and Like schools.

Staff satisfaction was slightly below State and Like schools.

Performance measure (Nationally agreed items shown*)

Percentage of parents/caregivers who agree that:	2012 [#]
their child is getting a good education at school	100.0%
this is a good school	100.0%
their child likes being at this school*	94.7%
their child feels safe at this school*	94.7%
their child's learning needs are being met at this school*	94.7%
their child is making good progress at this school*	100.0%
teachers at this school expect their child to do his or her best*	94.7%
teachers at this school provide their child with useful feedback about his or her school work*	94.4%
teachers at this school motivate their child to learn*	100.0%
teachers at this school treat students fairly*	94.7%
they can talk to their child's teachers about their concerns*	100.0%
this school works with them to support their child's learning*	94.7%
this school takes parents' opinions seriously*	94.7%
student behaviour is well managed at this school*	94.7%
this school looks for ways to improve*	100.0%
this school is well maintained*	100.0%

Performance measure (Nationally agreed items shown*)

Percentage of students who agree that:	2012 [#]
they are getting a good education at school	95.7%
they like being at their school*	82.6%
they feel safe at their school*	89.1%
their teachers motivate them to learn*	91.5%
their teachers expect them to do their best*	97.8%

Our school at a glance

their teachers provide them with useful feedback about their school work*	95.7%

their school is well maintained*	93.5%
their school gives them opportunities to do interesting things*	95.6%

Performance measure (Nationally agreed items shown*)

Percentage of school staff who agree:	2012 [#]
that they have good access to quality professional development	85.3%
with the individual staff morale items	87.1%

* Nationally agreed student and parent/caregiver items were incorporated in the School Opinion Survey in 2012.

[#] Percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement. Due to changes to the School Opinion Surveys in 2012, comparisons with results for previous years are not recommended.

Our school at a glance

Involving parents in their child's education

We value and encourage partnerships between parents, the community and school. The school provides regular communication via newsletters, website, school assemblies, parent information sessions and parent-teacher interviews (offered twice a year). The school invites parents to many whole school events such as sport days, carols, fete, discos, biggest morning tea, under 8s week, Education week and special class performances and excursions. The parents are also invited to participate in school decision making in the development and review of the School Annual Implementation Plan. The P & C group is a small but dedicated band of people who work extremely hard to make improvements to the school environment to benefit student learning. The indigenous community also participate in the Wundumana Parent and Community group to advise the school in 'closing the gap' initiatives.

Reducing the school's environmental footprint

Data is sourced from school's annual utilities return and is reliant on the accuracy of these returns.

In 2011 classroom recycling was introduced, and with every classroom having an interactive whiteboard installed, this saw a spike in electricity use as the new technology was being introduced. Student education about the need to save valuable resources (water and electricity) has seen a reduction in the footprint in 2012.

	Environmental footprint indicators	
	Electricity kWh	Water kL
2009-2010	157,964	10,192
2010-2011	204,942	8,328
2011-2012	173,008	5,680

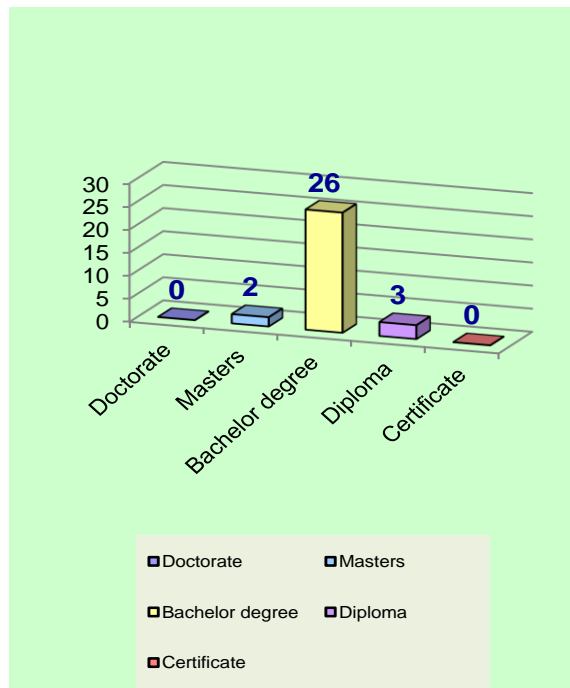

Our staff profile

Staff composition, including Indigenous staff

2012 Workforce Composition	Teaching Staff	Non-teaching Staff	Indigenous Staff
Headcounts	31	23	<5
Full-time equivalents	25.5	14	<5

Qualifications of all teachers

Highest level of attainment	Number of classroom teachers and school leaders at the school
Doctorate	0
Masters	2
Bachelor degree	26
Diploma	3
Certificate	0

Expenditure on and teacher participation in professional development

The total funds expended on teacher professional development in 2012 were \$8109.20

The major professional development initiatives are as follows:

- NAPLAN
- First Aid/CPR/Asthma & Anaphylaxis
- Budgeting
- Classroom Profiling
- Explicit Instruction/Effective Teaching

Our staff profile

- Reading
- Numeracy/YuMi Deadly Maths
- School Wide Positive Behaviour

The proportion of the teaching staff involved in professional development activities during 2012 was 100%.

Average staff attendance	2010	2011	2012
Staff attendance for permanent and temporary staff and school leaders.	94.6%	95.3%	95.7%

Proportion of staff retained from the previous school year

From the end of the previous school year, 97.6% of staff was retained by the school for the entire 2012 school year.

School income broken down by funding source

Student Attendance Distribution

The proportions of students by attendance range.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

Student attendance is marked twice daily at 9 am and 2 pm. Student who arrive late at school sign into the office to ensure their attendance is noted for accurate record keeping. The school investigates attendance data 3 times per week and prints out a report to give the Principal/HOC. When a student is away from school without explanation this is followed with a phone call. Extended absences where the child has been unwell are also followed up by a phone call as the student's welfare is of interest to the classroom teacher in particular. All efforts are made to contact parents and parents are encouraged to meet with the Principal regarding any issues they or their child has in attending school. Where necessary the Principal sends a letter to parents regarding Failure to Attend an may further report the matter as a Student Protection issue.

The school has a rewards scheme for classes that have the highest attendance each week.

Performance of our students

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the *My School* link above. You will then be taken to the *My School* website with the following 'Find a school' text box.

If you are unable to access the internet, please contact the school for a paper copy of our school's NAPLAN results.

Achievement – Closing the Gap

The 'Closing the Gap Education Strategy' is Education Queensland's overarching strategy for education of Indigenous students in state schools. The state-wide strategy has two targets for primary schools – to half the gap in year 3 reading, writing and numeracy by 2012 and to close the gap in student attendance by 2013. There has been a strong investment in the early years programs including PMAP oral language, ELF, Year 3 reading and numeracy at this school to support literacy, numeracy and parent engagement.

Students in year 3 have shown progress over the last 4 years in reading, numeracy and writing with the school results better than state and similar or better than CQ region.

The attendance rate for Indigenous students was slightly lower than Non-Indigenous across the school, but the largest gap appeared in the less than <85% attendance which has a 12% difference (higher for Indigenous). The school has some strategies (using Next Step initiatives funding) to put in place during 2013 to close this gap.
